RALLYING AROUND THE ENVIRONMENT

Three citizen mobilisation programmes since 2015 to help rebuild the connection between humankind and nature

€1,500,000

collected since 2016, of which more than €330,000 was collected in 2020

13 million

over five years, including more than three million donations made in 2020

16 associations

funded through the scheme since 2016

5000 visitors

gathered in Nantes in 2018 during the "Aux Arbres!" event to raise awareness for the need to protect our forests.

5 editions

of "Aux Arbres les Enfants" were organised in five French cities to raise awareness among children and adults

200 partners

came together in Paris in 2019 to learn about the challenges linked to forest and biodiversity conservation

aux arbres!

SOLIDARI TRIPS

176

Maisons du Monde employees were able to travel thanks to the Solidaritrips community commitment programme

9 associations

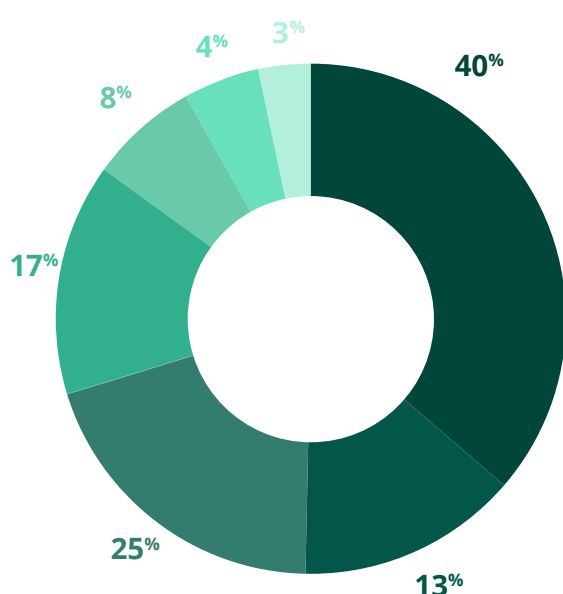

benefited from the project in six different countries

MORE than 4500

trees planted since 2016
