

WHAT THE MAISONS DU MONDE FOUNDATION AND ITS PARTNERS GOT UP TO IN 2022.

A WHOLE WORLD OF PROJECTS.

A total of 38 projects in 15 countries in 2022

[Link to the projects map](#)

- Forest and tree conservation in developing countries
- Maintaining trees in Europe
- Wood recovery

<RE>CONNECTING WITH TREES.

Committing together to protect trees

- more than **2 000 people** educated about tree conservation at the We Love Green and Nuits des forêts festivals
- more than **1 700 participants** walked to protect forests, hitting close to 180 million steps in 10 days

SOLIDARITRIPS.

Involving our employees in our projects

- 12 employees** travelling to the south of France to conserve rare and ancient fruit tree species alongside the Conservatoire Méditerranéen Partagé (Shared Mediterranean Conservatory)
- 7 employees** travelling to Ecuador to conserve the Amazon rainforest alongside Ishpingo and the Kichwa people

ARRONDI EN CAISSE.

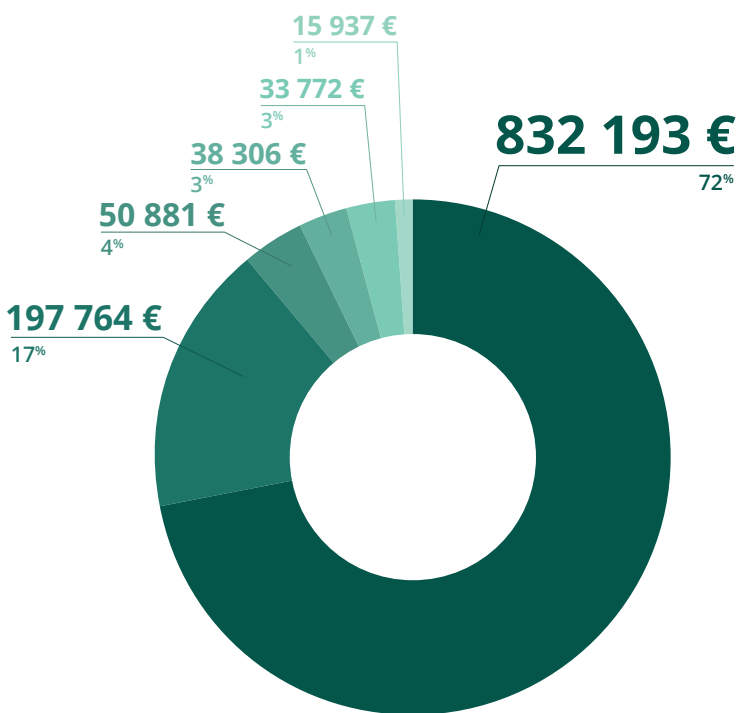

Raising awareness among customers in all our stores in France

- more than **€465,000 collected** thanks to the generosity of Maisons du Monde customers
- more than **2.7 million donations** made to four organisations
